Lehigh Valley Charter High School for the Arts (Charter Arts) is a non-profit 501(c)3 tax-exempt corporation founded in 1998. Charter Arts is an Equal Opportunity Employer. We consider applicants for all positions without regard to race, color, religion, creed, gender, national origin, age, disability, marital or veteran status, sexual orientation, or any other legally protected status.

Job/Position Specific Requirements:

- PA certification in music required and/or willingness to attain PA certification
- Strong piano skills required
- Experience with teaching music theory required
- Vocal performance experience required; must be able to support all vocal ranges and abilities well versed in music literature in a variety of genres (classical, musical theatre, contemporary, opera, etc.)
- Strong classroom management skills and experience working with high school students from a wide range of educational backgrounds
- Ability to provide interactive instruction to diverse learners
- Must be able to collaborate with a large music faculty to ensure individual student and ensemble success

Essential functions of the job may include but are not limited to the following:

Domain 1: Planning and Preparation

- Develops plans, lessons, and instructional materials that facilitate active learning; maintains up-to-date lesson plans, unit plans, and scope and sequence documents for all courses taught; shares this information with department and school leadership as requested
- Aligns curriculum and instruction with the PA Core Standards and, when applicable, artistic-specific standards
- Provides a course syllabus to all students at the beginning of the year to outline each course taught, which includes an overview of learning standards, objectives, and content covered, grading expectations, etc.
- Demonstrates knowledge of students by conducting interest inventories and preparing lessons that tap into these student interests
- Provides a variety of learning materials and resources for use in various educational activities
- Ensures that all planned instructional lessons, activities, and assessments are rigorous and challenging for all students, differentiating when necessary to meet the needs of individuals or groups of students
- Collects and analyzes data (formative and summative) to reflect on past instruction and uses this information as the basis for future instructional decision-making as appropriate

Domain 2: Classroom Environment

- Develops and maintains a positive rapport with students from diverse cultural and socio-economic backgrounds and ability groups
- Prepares the classroom and physical space for activities that are conducive to actively engaging learners
- Collaborates with students on the development of classroom procedures, norms, and expectations to

- ensure student behavior in the classroom is supportive of a quality learning environment
- Manage and maintain student behavior by enforcing and reinforcing school and classroom rules and procedures that are in alignment with those of the mission and vision of the school
- Communicates necessary information regularly to students, colleagues, parents, and school administration regarding student progress and needs
- Establishes and communicates clear learning objectives for all learning activities
- Holds students accountable for their words and actions in clear and appropriate ways
- Communicates expectations with students in a supportive way, and keeps lines of communication open at all times in order to model appropriate, mature communication to our students
- Create and manage a caring, supportive, purposeful, and stimulating environment for ALL students

Domain 3: Instruction

- Ensures that students are active participants in their own education
- Encourages and monitors the progress of individual students and use of information to adjust teaching plans and strategies according to students needs
- Uses relevant technology to support and differentiate instruction
- Provides appropriate critique and feedback to students on their work and/or performance
- Observes and evaluates student's tasks, performances, and assessments and development and provides support and coaching as necessary
- Utilizes the full instructional period and paces instruction to ensure students have the time, space and attention to engage with content and learn from and with one another
- Provides substitute plans, class rosters, and seating charts for all absences
- Alerts the necessary stakeholders when students are not meeting academic expectations through the established procedures within the school.

Domain 4: Professional Responsibilities

- Maintains accurate and complete records of students' progress and development; assigns and grades class work, homework, projects, and performances weekly as identified in the employee manual and updates PowerSchool weekly to reflect this information to all stakeholders
- Updates all necessary records, contact logs, etc. accurately and completely as required by laws and school policies and regulations
- Continually reflects on instructional practices to better improve on both instruction and the classroom environment for students; receptive to feedback and critique from colleagues, department leadership, and school administration
- Maintains a positive attitude and problem-solving mentality as problems arise
- Participates in appropriate professional development activities
- Proactively encourages parent and community involvement in the classroom and promptly returns and documents parent/guardian phone calls and emails
- Collaborates with department personnel, colleagues, and school administration to ensure that students with IEPs and 504s have access to an inclusive education and that their needs are being met as outlined; work with outside educational agencies when appropriate
- Participates in department, school, district, and parent meetings
- Seeks out and participates in professional development opportunities to support their professional interests and to maintain active and valid PA certification
- Other as assigned
