

August 17, 2015

Dear Students, Parents and Guardians,

All of the faculty and staff have spent the summer preparing for the new school year in our new facility at 321 East 3rd Street in south Bethlehem! It is an exciting time as we watch construction nearing completion and desks being moved into the new classrooms in our LEED Gold building.

Mrs. Fehlinger-Ricker, Dr. Comstock, Mr. Kise and I are looking forward to seeing all of you in our new school. As planned, teachers and staff will begin working in the new school on August 24, 2015. During the week of August 24-28, teachers and staff will unpack and set up classrooms. While it would be possible for students to return as scheduled on August 31, 2015, the administrative team believes that it is important to give faculty and staff an additional week to prepare. It is important to us that the students' first experience at the new school begins in a positive environment conducive to the beginning of a new era of arts integrated learning. **The start date for students will change from August 31 to September 8, 2015.**

Enjoy the rest of your summer, make sure you have completed your summer assignments per your teachers and know that we all look forward to welcoming you to our exciting, state of the art, new school on September 8th!

Warm regards,

Ms. LaBelle
