

THE  
LEHIGH VALLEY  
**CHARTER HIGH SCHOOL**  
FOR THE **ARTS**

Thank you for your interest in having Charter Arts' students perform at your next event. Please read the following information and confirm the details of the performance on the second page.

Charter Arts requests an honorarium for each performance to underwrite the costs of bringing our performers to you. If we need to provide a bus to transport our students, your organization will be asked to provide this cost. These charges will be discussed and determined by the details of your event. **The cost for a non profit request is \$150 for the first hour, for a for-profit or social event the cost is \$200 for the first hour.**

The average length of time for a Charter Arts student performance is 45 minutes to one hour. Our students can perform for longer times if requested, but we hesitate booking a performance for over 1 ½ hours. Please discuss your needs when you finalize arrangements. For each additional ½ hour we request an additional \$75.00.

A faculty member will accompany the performance and serve as the on-site coordinator of the event. The details of your event will be confirmed a week prior to the date to confirm our arrival and set-up times. Please let us know if your organization will supply a piano, CD system, microphone and amplification if necessary.

Due to the fact that our students travel from long distances, performances may not be available when school is not in session.

Charter Arts has multiple programs that we offer to the public. Please review these offerings and select the ensemble that best matches your event. All of our performers are students so we cannot guarantee your first choice due to scheduling conflicts, but we will work with you to provide great entertainment to enhance your event.

Jazz Combo – guitar, bass & saxophone, piano with or without vocalist.

String Ensemble – a mix of classical & basso nova music.
