Dear Parent,

According to Pennsylvania Law, students are entitled to transportation as follows:

- 1. Charter Schools - A District must provide transportation for resident public school students who attend charter schools and reside 1.5 miles or more walking distance from home to school for elementary students (Grades K-5) and 2.0 miles or more walking distance from home to school for secondary students (Grades 6-12).
2. Transportation for students who qualify by walking distance must be provided transportation to and from the charter school in which the student is enrolled, even if the school is located outside the district so long as the distance is not more than 10 miles beyond the district boundaries.

If you think you meet the qualifications and are requesting transportation, please complete the required information below and return this form to your school promptly. Form must be complete and signed by parents. Incomplete forms and forms without signature will not be accepted. The District will review and verify all information and will determine if the student is eligible for transportation.
