

Dear Charter Arts families,

During this time of uncertainty, we want you to know that we are here for your student(s) and your family. While we are unable to hold in-person family engagement nights, we are happy to be able to offer virtual sessions via Zoom or Google Meet for parents/guardians. One of these events will be our **Annual Spring Federal Programs & Comprehensive Planning meeting**: bring your lunch to our **60 minute** online lunch & learn, and share your voice as we plan for the future of Charter Arts. Four of these events will be in partnership with the **Center for Humanistic Change (CHC)**, focusing on strategies to support students during this school closure and beyond. Each CHC session will be **30 minutes** in length and will be offered at two different times to allow for flexibility in viewing these sessions.

Here are the topics, dates and times for all five events:

- Wednesday, April 22th (11:30am, 7:00pm) - *Managing emotions: techniques and resources to use during crisis situations* [REGISTRATION LINK](#)
- Wednesday, April 29th (11:30am, 7:00pm) - *Parenting through crisis: helping your child through these times* [REGISTRATION LINK](#)
- **Wednesday, May 6th (12:00pm) - Charter Arts Annual Spring Federal Programs Meeting & Comprehensive Planning Online Lunch & Learn** [REGISTRATION LINK](#)
- Wednesday, May 13th (11:30am, 7:00pm) - *Raising awareness about the trends in and dangers of social media* [REGISTRATION LINK](#)
- Wednesday, May 20th (11:30am, 7:00pm) - *Recognizing the signs of drug & alcohol use* [REGISTRATION LINK](#)

Please use the registration links above to register for any sessions you are interested in attending. Before each event, we will send out reminders with instructions to access the session.

We would also LOVE to hear some feedback from you about our **Family Engagement** events, our **Title 1** program, and our recent transition into **Remote Learning**. Please use this link to complete our [Annual Family Survey](#) and share your feedback.

We hope to see you in one or more of these virtual meetings, and we hope your families are staying safe and healthy!

Best,

Charter Arts Administration & School Counseling Department
