

8.27.2020

Good afternoon Charter Arts families,

We are reaching out with some important information regarding student supply box pickup next week. As we have previously communicated, students and families will be able to pick up their school supply boxes on August 31st and September 1st, alphabetically by last name. Please note that student schedules will also be provided in the supply boxes.

- For everyone's health and safety, we are following the guidelines set forth by Governor Wolf and asking all families to wear masks and remain in their vehicles upon arrival at the school.
- We are asking families to line up in their vehicles on Columbia Street and someone will be standing by to gather their information.
- Student supply boxes will be handed to you in your vehicle by a Charter Arts staff member.
- No one will be entering the building other than Charter Arts staff and only school supplies will be distributed.

On Monday, August 31st, there will be two pickup windows:

- Students with last names A-E are asked to come between 8 am and 11 am.
- Students with last names F-L are asked to come between 12 pm and 3 pm.

On Tuesday, September 1st, there will also be two pickup windows:

- Students with last names M-R are asked to come between 8 am and 11 am.
- Students with last names S-Z are asked to come between 12 pm and 3 pm.

Further, based on parent feedback, **we have added a late afternoon/evening pickup on Wednesday, September 2nd, from 3:00 pm to 6:00 pm for those who were unable to make it during their scheduled time on Monday or Tuesday.**

Important:

Charter Arts received communication on 8.27.2020 that our chromebook delivery date was pushed back due to high demand and low inventory. Due to these delivery delays outside of the school's control, the new Chromebooks purchased by the school for students in grades 9-11 have not arrived. Chromebooks already in our Charter Arts inventory will be distributed to students in 12th grade on 8/31 & 9/1. New Chromebook distribution dates for grades 9-11 will be communicated when the delayed chromebooks are delivered.

If you have a student in grades 9-11 and cannot access synchronous education without a school-issued Chromebook, please contact the Main Office ASAP at (610) 868-2971 between the hours of 8:00am-3:00pm to request a device for pick up at the times specified above.

As a reminder, when you come to pick up your supply boxes, please be sure **to return signed copies of the Main Office, Nurse, Technology and Transportation form packets** sent last week via email. They are attached to this email for your convenience.

More information will be communicated soon about how students will access their class meetings on 9/2 (9th & 10th grade) and 9/3 (11th & 12th grade). Also, please note that Christmas City Studio, our school photography vendor, will be present during the first time block on Monday to document our unique official First Day of School.

Thank you and have a wonderful day,
The Charter Arts Admin Team
