

Senior Portraits

Seniors, you may go to any studio or photographer, including [Christmas City](#), to get your senior portraits this year. Please contact the studio directly and schedule your session to take place by the end of December. Please ask your photographer for a digital copy of the photo to submit to our photo website (provided soon), as well as a photo release so that we can include your photo in the yearbook.

Please note the following guidelines. Any deviation could result in your photo not appearing in the yearbook:

**Photos should be in .jpeg format, suggested Resolution 300dpi. Vertical shots work best, if using iphone avoid HEIC format- convert to a jpg and send largest possible.*

**Photos must be school appropriate with no logos/words of any kind.*

**Senior must be centered in the photo facing the camera, both eyes visible.*

**Photo must be vertical. No horizontal photos.*

**Backgrounds (trees, rocks, columns, etc.) should not block the view of the student and should be simple and uncluttered.*

**Pose must be a waist-up shot. No full body shots. No hands near face—arms and hands should not be above the waist.*
