

April 2021

To the Parent/Guardian(s) of 9th, 10th and 11th grade Charter Arts students,

The School Counseling Department is hosting an evening seminar designed specifically to prepare our underclassmen and their families with advanced knowledge of the Free Application for Federal Student Aid (FAFSA), PA 529 savings plans, and the many other ways students finance their post-secondary educational pursuits.

Regardless of where your child's post-high school plans may take them, but especially if those plans include applying to a community college or a four-year college/university, we recommend that you join us at this virtual event!

Paying for a College Education - Planning Ahead

Thursday April 22, 2021 @ 6pm via Google Meet

Presenters:

Mrs. Stephanie Covelle (Director of Specialized Services) and Mr. Michael Burke (Access Partner with PHEAA)

To join us, please RSVP to this virtual event at least 24 hours in advance by completing this survey:
[RSVP to the School Counseling Department's Underclassmen Seminar on Financial Aid & the FAFSA](#)

The School Counseling Department of Charter Arts, in partnership with Mr. Michael Burke of PHEAA, welcomes you to this event and trusts that you will find the seminar informative and relevant. **Please note that the FAFSA filing window doesn't open until October 1st of your child's senior year.** Therefore, this seminar is proactive, and there is no action to take at this time with respect to filing a FAFSA application, unless your child is a senior. Moreover, we have planned this presentation to equip you with the knowledge to file the FAFSA and successfully meet deadlines for institution-based aid when your child is a senior. Students are welcome and encouraged to attend. Finally, best wishes to each and every one of you as we finish out this most extraordinary school year!

Sincerely,

Stephanie H. Covelle
