

**Welcome to the AP American Government & Politics!  
Congratulations on your admission to this course and be  
prepared to work hard!**

If you were a student in Mr. Boyer's AP U.S. History class, you understand the rigor and commitment that will be required to succeed in this course and on the AP exam in May. If you've never taken an AP class before, you'll be fine as long as you work hard, participate, complete your assignments on time, and ask questions. We will spend the year analyzing prominent Supreme Court cases and United States foundational documents while we research and study the structure of our government.

All summer work for this course will be administered through Google Classroom. All students must enroll and check the Classroom for assignments. Assignments will be posted starting in late June. Much like a college course/syllabus, each assignment will have a due date which will permit you to work as your summer schedule permits. By early July, I will begin to post weekly assignments for credit in order to begin to prepare for the course.

**Please enroll in the AP Government and Politics  
Google Classroom by June 11th.**

**Google Classroom Code for AP Government & Politics: b23nbc4**

More detail on the assignments will be posted on the Google Classroom in Email me if you have any trouble signing up for the Google Classroom or if you have any questions about the course: [anesfeder@charterarts.org](mailto:anesfeder@charterarts.org).
