

# Production Arts Sophomore Summer Assignment 2021

## *The Creative Process*

Hello Designers!

In preparation for next year's course, The Creative Process, you will:

- 1.) Read [SCHOOL GIRLS: OR, THE AFRICAN MEAN GIRLS PLAY](#) by Joceyln Bioh
- 2.) Complete a personal designer's journal **due on the first day of school.**

This is a 25 point assignment.

Your journal must include:

- A minimum of 10 entries (focus 5 entries on your reading assignment)
- Dates for each entry (once a week is a good practice to aim for)
- At least one of each: writing samples, sketches, collage

Just like your portfolios, make these journals YOURS. This is an opportunity to experiment with how you think creatively and come up with ideas. It can be mostly sketches, or mostly notes- whatever works for YOU!

Unlike your portfolios, these do not need to be neat and clean. It's a log of your creativity.

These journals will be your inspiration for the first several assignments of the year for The Creative Process, and you will continue to create entries in the *same* journal throughout the year.

\*Note: this is NOT a diary. I'll be looking through each of your entries to grade and discuss. Please don't put anything in these that you don't want me to see!

Happy reading and journaling!
