

## Charter Art Quarantining Guidelines Info Sheet 10.1.2021

### IF ...

### THEN ...

A vaccinated or unvaccinated Charter Arts student presents with Covid-like symptoms, per our daily symptom check-list ...

Parents/Guardians must...

- Keep student home
- Contact their child's Primary Care Physician (PCP) about obtaining a COVID test\*
- Notify Charter Arts via the Covid Tracker Form
- Once you get the test result back ...
  - If Covid test is POSITIVE:** Please fill out the Covid Tracker Form and wait for additional communication from the Charter Arts Health Department.
  - If COVID test is NEGATIVE:** Notify Charter Arts by emailing [nurse@charterarts.org](mailto:nurse@charterarts.org) and providing proof of the negative test\* and/or doctor's note. Keep your child at home until the Charter Arts Health Department confirms receipt and approval of your negative result and/or doctor's note **AND**.
  - Fever free without fever reducing medication for 24 hours **AND**
  - All other Symptoms have improved
- If you choose not to get your student test your student may return if **ALL** of the following Criteria have been met
  - 10 days have passed since symptom onset **AND**
  - Fever free without fever reducing medication for 24 hours **AND**
  - All other symptoms have improved
    - Loss of taste and smell may linger for several weeks and should not exclude a Student from returning to Charter Arts

*\*At this time, Charter Arts is not accepting Covid Rapid Test results or at-home Covid Tests results*

<p><b>A vaccinated student is identified as a close contact by someone OUTSIDE of Charter Arts</b></p> <p><b>AND</b></p> <p><b>the exposure was NOT a household close contact ...</b></p> <p>(2 weeks after receiving the 2nd dose of the vaccine AND proof of vaccination has already been provided to the school)</p>	<p><b>Parents/Guardians must...</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Notify Charter Arts via the Covid Tracker form</li> <li><input type="checkbox"/> Monitor their child’s symptoms daily using the <a href="#">self-screener provided</a> on the Charter Arts Covid Dashboard. <ul style="list-style-type: none"> <li><input type="checkbox"/> If symptom present, notify Charter Arts via the Covid Tracker Form and keep your child at home</li> <li><input type="checkbox"/> Follow the directions outlined above for students presenting with symptoms of COVID</li> </ul> </li> <li><input type="checkbox"/> It is recommended, but not required, that your child be tested for COVID on days 2-5 post exposure <ul style="list-style-type: none"> <li><input type="checkbox"/> Should you decide to get your child tested, provide the result of the covid test to Charter Arts by emailing <a href="mailto:nurse@charterarts.org">nurse@charterarts.org</a>.</li> <li><input type="checkbox"/> <b>If COVID test is POSITIVE:</b> Please fill out the Covid Tracker Form and wait for additional communication from the Charter Arts Health Department.</li> </ul> </li> </ul>
<p><b>An unvaccinated student is identified as a close contact of someone <u>who does not live in their household</u></b></p> <p>(student is unvaccinated OR the student has had only one dose of a 2-dose vaccine, it has not been 2 weeks post vaccination, or there is no proof of vaccination received by Charter Arts)</p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> Notify Charter Arts via the Covid Tracker Form</li> <li><input type="checkbox"/> Student will need to quarantine for 10 days and may not attend Charter Arts while on quarantine</li> <li><input type="checkbox"/> Return to Charter Arts after the 10 day quarantine only if COVID-19 symptoms have not developed</li> <li><input type="checkbox"/> If symptoms present, <ul style="list-style-type: none"> <li><input type="checkbox"/> Notify Charter Arts via the Covid Tracker Form and keep your child at home</li> <li><input type="checkbox"/> Follow the directions outlined above for students presenting with symptoms of COVID</li> </ul> </li> </ul>
<p><b>Student is identified as a close contact of a <u>household member</u></b></p> <p><i>Vaccination status is disregarded in this case</i></p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> Notify Charter Arts via the Covid Tracker form</li> <li><input type="checkbox"/> First Quarantine <ul style="list-style-type: none"> <li><input type="checkbox"/> Student Must Quarantine with covid positive household member while the household member is isolating</li> </ul> </li> <li><input type="checkbox"/> Second 10 day Quarantine <ul style="list-style-type: none"> <li><input type="checkbox"/> Begins when covid positive household member is release from isolation</li> <li><input type="checkbox"/> If no symptoms are present, the student may return to Charter Arts after the secondary 10 day quarantine.</li> <li><input type="checkbox"/> If symptoms do arise <ul style="list-style-type: none"> <li>■ Primary Care Physician should be contacted for Covid testing</li> <li>■ If positive, follow protocol from first box</li> </ul> </li> </ul> </li> </ul>
<p><b>Student Tests Positive</b></p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> <b>Keep student home</b></li> </ul>

<b>for Covid and is ASYMPTOMATIC</b>	<input type="checkbox"/> Notify Charter Arts via the Covid Tracker Form <input type="checkbox"/> Charter Arts will contact family for more information and will provide direction accordingly <input type="checkbox"/> Follow physician recommendation for isolation
<b>Student tests positive for Covid and is SYMPTOMATIC</b>	<input type="checkbox"/> <b>Keep student home</b> <input type="checkbox"/> Notify Charter Arts via the Covid Tracker Form <input type="checkbox"/> Charter Arts will contact Family for more information <input type="checkbox"/> Follow physician recommendation for isolation
