

PROM PARKING

If you are driving to Prom and need a place to park you will be required to park in the parking garage:

- You will need to get a time stamped ticket when you enter the garage.
- **When you enter the building for Prom, you will check in at the table, at that time you will show them the ticket and let them know you parked in the garage. They will then give you a parking voucher to scan when you leave the parking garage.**
- You will be responsible for keeping track of your parking voucher.
- **We will not be able to issue more vouchers at the end of Prom.**

** This will only be for students who park in the garage and remain at prom if parents decided to stay and take pictures they will be responsible for their own parking. **

** Only students and their guests will be permitted into the Prom.

Address for parking garage:

Community Deck: 13 S. 6th St. Allentown, PA 18101

Please contact Mrs. Hoffman if you have any further questions. jhoffman@charterts.org
